School Newsletters and your Child's Name

It has been our common practice to upload the school's newsletter on our website.

With the re-development of Castle Cove's website, we would like to inform you that we will continue to display the school's newsletter on our website with the added benefit of having a database of previous issues available to be read.

There are many occasions where students' names are printed in our newsletter to acknowledge their achievements in class and school activities.

If you prefer to **not have** your child's name printed on our newsletter, please sign the form below and return it to your class teacher.
