Dear Parents,

**A-Day - Creativity**

A-Day was held on Monday 22\textsuperscript{nd} June to recognise Creativity in Key Learning Area. We had an opportunity to congratulate students who demonstrated this consistently through class programs as well as enjoy the performances by our Intermediate Band, Junior and Senior Dance Groups and Ani Howard on her flute. It was a fabulous morning of talent and we were happy that so many parents could join us to share this occasion. All the names of our award recipients and also those students who received their \textbf{GOLD} award can be found further in this issue.

**Principal Derek**

This week, following our recent P&C fundraiser and his parents’ successful bid at auction, young Derek Zhu from KB found himself as Principal for a Day!

Principal Derek, looking every bit the part, joined me onstage to oversee A-Day and, while I presented awards, he looked out for students deserving of a Castle Card. When he addressed the audience, he announced he was changing recess time to allow 10 minutes extra play, bringing a resounding cheer from all the students. Later in the day, Principal Derek visited a number of classes, looking for and issuing stickers to some students working well. After a busy morning, Principal Derek and several “colleagues” met in the staffroom for lunch. At the end of the day Principal Derek received a merit award for a job well done.
**Stage 3 Tree Project / “Tutti” Concert**

What a brilliant project this has been and one that was thoroughly enjoyed by the whole school as they walked through the Dr Seuss-like trees on Monday. Congratulations to the Stage 3 teachers for your hard work in making this such a wonderful learning experience for the students, and to the student teams for your outstanding creativity and great collaborative skills. The trees, each with the design brief and the elements each tree depicts, will be displayed again at the Tutti Concert at Chatswood High School on Friday 24th July.

Put this date in your diary and be sure to come along to see, not only the trees which will be part of the art show, but enjoy the fine talents of the students who will also make up both combined and school performances in dance, music and drama. (See flyer further in this issue). It will be a wonderful showcase of outstanding what our young people can do and definitely not to be missed!

**Health and Well-being**

Congratulations and thank you Leanne Ambrogio, Rebecca Raymond and team for organizing such a great evening which looked at nutrition and well-being. Around 75 parents, friends and staff met in the hall to hear guest speaker, Michele Chevalley-Hedge, deliver a most entertaining and information-packed presentation. She had everyone captivated with her presentation on nutrition and how eating real food and not processed or packaged food is the key to a healthy body and brain. I am now most conscious of and am checking just how much sugar is in what I want to eat and drink using Michelle’s easy to follow guideline.

In term 3 the Health and Wellness Group will be holding the very popular Girl Power and Good Guys Friendship workshops. Look out for details of that soon.

**Kids Castle Vacation Care Program**

What to do in the holidays? The Kids Castle have released details of a fabulous Vacation Care program for the winter school holidays. Please visit their website [www.tkccc.com.au](http://www.tkccc.com.au) for further details or see their flyer further in this issue.

**Wishing all families a very happy and very safe holiday. See you all back again on Tuesday 14th July.**

Multicultural Perspectives Public Speaking Competition

The students from Years 3-6 participated in the Multicultural Perspectives Public Speaking Competition where they presented a prepared speech from a selection of topics with a multicultural theme. The students also presented an impromptu speech to their class. Two representatives from each stage were selected to compete against other schools at the local zone final held at CCPS early in June. Thomas Garrett and Hamish Grover represented Stage 2 and Ivy Leggett and Rowena MacDonald represented Stage 3. These four students displayed exceptional skill in public speaking in a fiercely contested competition. Thomas Garrett is to be congratulated for winning the Stage 2 Local Final and he'll compete in the regional final to be held in August. Well done to all competitors and we look forward to hearing about Thomas' experience at regional level.
Anne Layton-Smith

Whooping Cough

A person who attends Castle Cove Public School has been diagnosed with Whooping Cough (pertussis).

What are the symptoms?
Whooping cough usually starts with a runny nose, followed by persistent cough that comes in bouts. Bouts may be followed by vomiting and a whooping sound as the child gasps for air. Whooping cough can cause a severe illness in young children particularly those aged under 6 months.

How is it spread?
Whooping cough is usually spread by direct contact with the droplets from the nose and throat of an infected person produced whilst coughing. People at greatest risk of getting the illness are those who have had a considerable amount of face-to-face contact with a person with the disease. Whooping cough can occur in people previously vaccinated.

What should parents do?
Anyone developing symptoms should consult their local doctor and mention that there has been a case of Whooping cough in the school. Children who are diagnosed with Whooping cough need to stay away from school until they have taken 5 days of a special antibiotic.

For further information please refer to the attached NSW Health factsheet on whooping cough or go to http://www.health.nsw.gov.au/Infectious/whoopingcough/Pages/Information-for-childcare-and-schools.aspx or contact the Northern Sydney Public Health Unit on 9477 9187.

Office News

Kindergarten Enrolments 2016

Enrolments are now being accepted for 2016. To help facilitate the planning of transition and orientation to school events, if you are intending to enrol a student into Kindergarten in 2016 kindly contact the school office to arrange for an Enrolment Application.

Lost Property

We are constantly picking up lost property from around the school and are amazed at the number of items that are not labelled! Every endeavour is made to return property to its owner but it is impossible to do so without a name. Please spend a few moments over the holidays to check your child’s jackets, hats and lunch containers and label them. All lost property that does not have a name is donated to the second hand clothing pool.
On behalf of the Baha’i community of Willoughby you are warmly invited to attend an evening of prayer followed by informal discussion on a selected theme. The dates and topics are listed below:
